Reliable Parts for Heavy Duty Performance

About Us

Founded in 2014 in Konya, **YÖRTEK** is one of the leading manufacturers of automotive spare parts and industrial products in the sector. With years of experience, we have built a strong position in the market by constantly evolving in response to changing customer demands and industry dynamics.

By continuously developing our equipment and expanding our product range, we strive to meet our customers' needs with innovative approaches and a customer-focused mindset. We prioritize quality and put great effort into ensuring customer satisfaction at every stage.

We are committed to constant improvement, guided by customer feedback and our deep industry knowledge, in pursuit of delivering better and more reliable products every day.

Reliable Solutions, Proven Performance.
